

WORK PERK

Share the gift of online security & safe browsing with your loved ones

Because you use Dashlane at work, you can gift Dashlane to up to nine loved ones for free, **valued at \$90/year.**

Take the security you rely on at work and extend it to your life outside the office. With Dashlane Friends & Family, you and your loved ones can save unlimited passwords and passkeys, access them from any device, and get alerts that help stop scams before they happen. It's peace of mind for everything you do online—shared with the people who matter most.

What's included

- A private account
- Industry-leading data privacy and security
- Unlimited passwords & passkeys across devices
- AI-powered Scam Protection
- Dark Web Monitoring and Password Health score

How do I access my offer?

1. Check your inbox for an email from Dashlane about Friends & Family*.
2. Follow the link in the email to create your plan manager account.
3. Invite up to nine other people to join your plan by sending them an invite link.

What if I leave my job?

If you use single sign-on (SSO) to log in to your work account, you'll no longer be able to access it.

Members of the Friends & Family plan will have 1 year to convert their account to a personal plan—or you can purchase a new Friends & Family subscription and re-invite the other members.
